This component may include questions on Analogy, Similarity and Difference, Space Visualization, Space Orientation, Problem Solving, Analysis, Visual Memory, Discrimination, Observation, Relationship Concept, Arithmetical Reasoning, Verbal and Figural Classification, Arithmetical Number Series, Non Verbal Series, Coding and decoding, statement conclusion, syllogistic reasoning etc.
- In this section, questions will also be designed to test the ability of appropriate use of numbers and number sense of the candidates. The scope of the test will be Number System, Computation of Whole Numbers, Decimals, Fractions, relationship between numbers, Basic arithmetic operations, Percentage, Ratio and Proportion, Average, Interest, Profit and Loss, Time and Distance, Time and Work, Height and Distance, Mensuration etc.
- (iii) **General English:-** The questions will be designed to test the candidates' understanding of the languages and literature, correct use of words, phrases and idioms and ability to write the languages correctly, precisely and effectively. The questions will ordinarily cover vocabulary, grammar, sentence structure, synonyms, antonyms and their correct usage, spot the error, fill in the blanks, spellings/ detecting mis-spelt words, idioms & phrases, one word substitution, improvement of sentences, active/ passive voice of verbs, conversion into direct/ indirect narration, shuffling of sentence parts, shuffling of sentences in a passage, cloze passage, comprehension passage etc.
- (iv) **Computer Applications:** Refer to the detailed syllabus at **Annexure-II**.

WRITTEN TEST

The Written Test shall be Multiple Choice Question based intended to test the domain-specific theoretical knowledge of the candidates. The Test shall be of total 200 marks and the minimum qualifying marks shall be 80. Following Written Test, **six times** candidates of the total number of advertised vacancies (following the model roster point and the reservation policy adopted in the High Court) will be shortlisted for the next stage i.e. **Trade/ Skill Test/ Work Proficiency Test**. However, all the candidates who have obtained **marks equal to** the marks obtained by the **last shortlisted candidate** of their respective categories **will also be shortlisted** for the next stage even if the total number of candidates called for Trade/Skill Test/Work Proficiency test exceeds the six times criteria.

The detailed syllabus for the Written Test is enclosed as **Annexure-II**.

Note:- Except the questions of General English in Screening/Preliminary Test, the questions of remaining sections in Screening/Preliminary Test and questions in Written Test shall be both in English and Hindi languages. However, the English version shall always prevail in case of any discrepancy or inconsistency between English version and its Hindi Translation.

TRADE/ SKILL TEST/ WORK PROFICIENCY TEST

The test shall assess practical knowledge of the candidates. Following Trade/Skill Test/Work Proficiency test, **three times** candidates of the total number of advertised vacancies (following the model roster point and the reservation policy adopted in the High Court) will be shortlisted for the next stage i.e. **Interview**. However, all the candidates who have obtained **marks equal to** the marks obtained by the **last shortlisted candidate** of their respective categories **will also be shortlisted** for the next stage even if the total number of candidates called for Interview exceeds the three times criteria.

INTERVIEW

The interview shall be of 30 marks and the minimum qualifying marks shall be 09.

It shall be mandatory for the candidates to appear and secure the minimum qualifying marks in all stages of the examination i.e. Written Test, Trade/ Skill Test/ Work Proficiency Test and Interview failing which they shall not be considered for preparation of final merit list.
